Company Update

The Board of Jarvis provides an update on the Skilled Person review as announced in its update on 16 September 2022.

The Skilled Person continues with its review of the systems and controls of the Company's subsidiary, Jarvis Investment Management Limited, and its associated recommendation work, pursuant to s166 Financial Services and Markets Act 2000 ("FSMA") ("Skilled Person"). The Skilled Person is currently conducting the review and testing, as part of the second stage of its work originally agreed with the FCA.

The voluntarily agreed restrictions, as set out in the previous update, remain in place. JIML will continue to work with the Skilled Person and FCA with the aim of having the restrictions lifted on its impacted Model B clients as soon as possible.

The Board will provide a further update in due course and within the next three months.
